COMMON EUROPEAN VALUES FOR YOUNG PEOPLE

Project Reference: 2024-3-IT03-KA153-YOU-000290116

www.youngleaders.it

Common European values for young people encompass many of the same principles and ideals as those mentioned earlier.

However, they are often tailored to address the specific needs and aspirations of younger generations.

Here are some common European values for young people:

INCLUSIVITY AND DIVERSITY

Young Europeans value inclusivity and embrace diversity in all its forms, including cultural, ethnic, religious, and sexual diversity. They promote equality and strive for a society that respects and values every individual, regardless of their background.

Co-funded by the
Erasmus+ Programme
of the European Union

ACTIVE CITIZENSHIP

Young people are encouraged to actively participate in civic life, engage in democratic processes, and exercise their rights and responsibilities as citizens.

They are encouraged to express their opinions, vote, and contribute to their communities.

Co-funded by the
Erasmus+ Programme
of the European Union

SOCIAL JUSTICE

Young Europeans advocate for social justice and fairness. They fight against discrimination, inequality, and social exclusion, and strive for equal opportunities for all individuals, regardless of their socioeconomic background.

Co-funded by the
Erasmus+ Programme
of the European Union

ENVIRONMENTAL SUSTAINABILITY

Young people are increasingly concerned about the environment and climate change. They value sustainability, support initiatives to protect the planet, and promote eco-friendly practices and policies.

Co-funded by the
Erasmus+ Programme
of the European Union

EDUCATION AND LIFELONG LEARNING

Young Europeans value education and recognize its importance in personal and societal development.

They seek quality education that prepares them for future challenges and promotes critical thinking, creativity, and innovation.

Co-funded by the
Erasmus+ Programme
of the European Union

DIGITAL SKILLS AND INNOVATION

Young people embrace digital technologies and recognize their potential for innovation and progress.

They value digital skills and strive to be digitally literate, adaptive to technological advancements, and responsible digital citizens.

Co-funded by the
Erasmus+ Programme
of the European Union

FREEDOM OF EXPRESSION AND MEDIA LITERACY

Young Europeans cherish freedom of expression as a fundamental right and value media literacy. They seek accurate, diverse, and unbiased information and promote media literacy skills to critically analyze and navigate the digital media landscape.
